For Lease River Garden D Type Villa

River Garden is the coveted premier gated villa community of Beijing and home to many expatriates including US Embassy personnel. Conveniently located in the peaceful suburbs of the Shunyi district, River Garden offers a family orientated respite from the hustle and bustle of Beijing city, yet is only twenty minutes from the Central Business District and ten minutes from the international airport. It is also within minutes of ISB and WAB international schools and surrounded by shopping centers, restaurants and other modern conveniences. The community heralds a multifunction clubhouse which offers full service concierge, indoor pool, gym & spa, tennis and squash courts, salon, business center, restaurants and stores, day care and various community activities that make River Garden special.
